**BATHROOMS – There is a helpful cleaning checklist/instruction sheet on the cleaning cart.**

**Key for the dispensers for hand towels and toilet paper is hanging on the cart.**

FYI – Scheduled month for cleaning **goes by the Sundays**. For example, if the first of the month falls on a Sunday, you are responsible for making sure your area is clean for that day, even though the week days leading up to your Sunday are in the prior month. At the end of the month, even though the Sunday may be in the next month, if there are events happening on say, Friday or Saturday, make sure you have those areas ready for those groups coming in. For example, a wedding is happening on Saturday, the 31<sup>st</sup> – make sure your area is clean for that event. Basically, keep your eye on the calendar of events happening at the church.

**KEYS: Please see Leisha if you need a cleaning key.**

Cleaning supplies are in janitor's closet. Thanks so much for your help.

**If you are unable to work, please switch with another person perhaps for that week. Thank you!**

Any issues with supplies or cleaning schedule questions should be directed to Gary Kadansky (251-9926 or gskadansky@gmail.com).
